Dear Sir:

A nonpublication request was included with the above-identified application on filing pursuant to 35 U.S.C. 122(b)(2)(B)(i). However, subsequent to the filing of the above-identified application, an application was filed in another country, or under a multinational international treaty that requires publication of applications eighteen months after filing. The subject matter was foreign filed on December 5, 2002 as a PCT international application, and on November 26, 2002 as a Taiwan national application.

To the extent required and not already provided, notice of the filing of the foreign or international application pursuant to 35 U.S.C. 122(b)(2)(B)(iii) and 37 C.F.R. 1.213(c) is hereby provided.

Nevertheless, because a nonpublication request was included with the above-identified application on filing pursuant to 35 U.S.C. 122(b)(2)(B)(i), the above-identified application may have become abandoned pursuant to 35 U.S.C. 122(b)(2)(B)(iii) for failure to timely notify the

office of the filing of an application in a foreign country or under a multinational international treaty that requires publication of applications eighteen months after filing. The date of such abandonment would be the day after the expiration date of the forty-five (45) day period set in 35 U.S.C. 122(b)(2)(B)(iii). The entire delay in providing notice of the filing of the foreign or international application from that date until the filing of this petition was unintentional.

In view of the foregoing, and pursuant to 37 C.F.R. 137(f), Applicant hereby petitions for revival of this application under 37 C.F.R. 137(b). Enclosed is our Check No. 20049 in the amount of \$1300.00 (\$650/\$1300) to cover the petition fee set forth in 37 C.F.R. 1.17(m). If any additional fees are due in conjunction with this petition the Commissioner is authorized to charge any additional fees that may be due to our Deposit Account No. 500388 (Order No. SDK1P003).

Respectfully submitted,
